SALINE SNOT SPRAY

The ultimate booger softener for seamless snotsucking!

Spray it, don't say it!

To Use: Remove cover. Pump 1-2 mists into each nostril. Wipe applicator tip clean. Replace cover. For the best results follow up with NoseFrida® the SnotSucker. Discard 4 months after opening.

Ingredients: Water, 0.9% Sea Salt (Isotonic Solution)

Keep out of reach of children. The use of Saline Snot Spray on more than one person may spread infection. Store at 68-77 °F (20-25 °C).
