Scared of snipping? Get a [good] grip.

Easy Grip Nail Scissors take the fear out of cutting the tiniest talons. Safe, rounded tips help you snip precisely, while an ergonomic, no-slip handle gives total trimming control so you can nail every mani and pedi.

Features:

Rounded tips help snip without nicks

Ergonomic grip for complete control without forcing your fingers into tiny handles

2-in-1 grip and safety case that baby can hold for easier trimming

- BPA-free
- Stainless steel blades

Simple Steps:

1. Remove scissors from safety case
2. For easier trimming, let baby grip the case. The wider grip gives you better access to their tiny talons.
3. Place in case and store

Care + Safety:

This is not a toy
Keep out of reach of children

Store in a dry place, away from extreme temperatures

Clean scissors using alcohol or peroxide after use
