

## Don't let teething get out of hand

Help your babe drop the tantrums, not their teether. The Get-A-Grip Teether has a bar handle that engages your baby's natural grasp reflex and a wrist-hugging design for a more secure hold. From first teeth to mini molars, it's so good they won't want to put it down.

Easy for little  
hands to hold

Reaches all  
new teeth types

BPA + PVC  
free silicone

### Care:
