

What chew talkin' about?

An icy teether can only do its job if baby can hold onto it. The Not-Too-Cold-To-Hold Teether handle stays room temp, while the gel-filled teethers go to work. Four specially designed shapes massage + stimulate gums in front & back. So you can chill out & let baby chomp away.

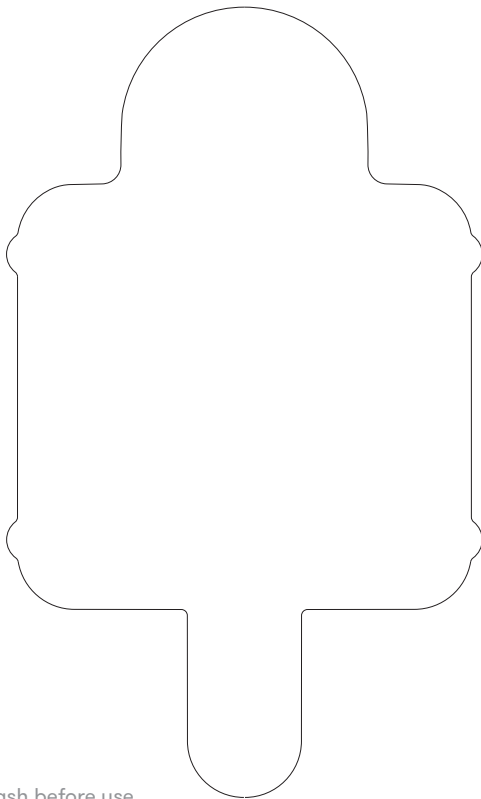

4 massaging
textures + shapes

Reaches all new
teeth types

BPA free +
nontoxic

Care + Safety:

100% Food Grade Silicone. Wash before use.
Rinse thoroughly after each use. Do not boil,
steam sterilize or put in a dishwasher.
