

We've got all sides covered.

Baby's first tooth can go from aaaaaww to FML real quick. The Finger Toothbrush is equipped to clean and massage all sides of baby's teeth + gums with the unique triple-angle bristles. Plus, the double-sided brush tackles top + bottom at the same time for a full service cleaning in record time while protecting your finger when baby chomps down. Take a bite out of that.

Secure fit
on finger

BPA-free
silicone brush

Keep-clean
storage stand

Care + Safety

Wash before use. Rinse brush thoroughly after each use. Storage stand should only be washed by hand. Allow brush to dry before storing. Brush is safe to boil. Discard brush if there are any signs of wear & tear. This is not a toy nor a teether. Intended for use by an adult with a child.
