

## Head-Hugging Hair Brush + Comb

### Simple Steps

1. Brush hair gently from scalp towards the hair tips to distribute the natural oils evenly
2. Store both brush and comb in protective case

### Care + Safety:

Not for use during bath. Do not submerge in water. Do not use on irritated skin. Store brush and comb in the case to protect bristles from damage and dust or for on-the-go use. This is not a toy. Keep out of reach of children.
