IT'S RAINING IT'S POURING

Rinsing the day off of your little one is about to get a whole lot easier thanks to the Control the Flow Rinser. The dual flow pitcher keeps water out of baby's eyes & ears while giving you options to pour. Just fill + rinse away dirt off their shoulders.

HOW TO USE:

For Toddlers:

Hold handle and pour from spout for waterfall effect.

For Newborns:

Grip and pour from opposite side to make it rain.
