⚠ WARNING

Drowning Hazard: Babies have **drowned** while using infant bath tubs and hammocks.

To Prevent Drowning:

- **Stay** in arm's reach of your baby
- **Never** rely on a toddler or preschooler to help your baby or alert you to trouble. Babies have drowned even with other children in or near bath tub.
- Babies can drown in as little as 1 inch of water. Use as little water as possible to bathe your baby.
- Use in **empty** adult tub, sink or on floor.
- Keep drain **open** in adult tub or sink.

Fall Hazard: Babies have **suffered** head injuries falling from infant bath tubs and hammocks.

To prevent falls:

- Place tub only in adult tub, sink, or on floor.
- Never lift or carry baby in tub or hammock.

Ensure all four infant tub feet are in contact with the supporting surface before each use.

Only use the hammock when properly installed in the tub.

CLEANING

QUICK CLEAN:

Tub: As assembled, hand wash tub and components with warm, soapy water. Hang to air dry with built-in storage hook.

Hammock: Spot clean and hang to air dry for minor smudges.

DEEP CLEAN:

Tub: Disassemble feet, drain plugs, bar, and bar end caps from tub then hand wash with warm soapy water. Hang to air dry with built-in storage hook.

Hammock: Remove bar. Machine wash cold. Remove promptly, hang to air dry.

CARE + SAFETY

Inspect your tub before each use. Do not use if there are any cracks, tears in the hammock, loose components or other defects, or becomes disassembled during use. This tub is intended to be used on a flat, level surface with all four feet supported. Do not use by suspending the tub by the upper lip. The hammock is only intended to be used when assembled in the tub for bathing.

Test the bath water temperature before placing the infant in the tub. Bath water should be between 90F and 100F (32.2C and 37.8C). Only use with adult supervision. This is not a toy.
